

KEEP DRAINS CLEAR OF GREASE AND FOOD PARTICLES

DRAIN TREATMENT

- Contains bacteria that eat grease
- Minimizes drain clogs, overflows and hassles
- Reduces expensive pumping and other plumbing costs
- Provides daily automatic dosing of treatment
- Neutralizes foul drain odors

DIRECTIONS FOR USE:

See label for specific dilution ratios.

1. Remove closure from container and discard.
2. Attach product pick-up tube from dispenser to container.
3. Tighten closure attached to the product pick-up tube on to the container.
4. Product is designed for use with the Pathways® dispenser. Use concentration will vary depending on soil conditions. Dispenser should be programmed to deliver product according to the dosage recommendations below.
5. For best results, grease trap should be pumped out before starting treatment.

This **smart formula** utilizes special **nonpathogenic bacteria** that multiply to **destroy pipe-clogging grease, fat and food.**
