

RELIANCE

TOUGH ON GREASE

Reliance HD Degreaser

- ▲ Fast-acting formula cuts through stubborn and baked-on kitchen grease.
- ▲ Safe for all stainless steel and soft metal surfaces.
- ▲ Powerful solution makes cleaning easier and faster.

Grease buildup on the inside and outside of kitchen equipment is a potential ignition source for a dangerous and costly grease fire. Help your kitchen and employees stay safe by removing grease effectively.

Reliance HD Degreaser effectively removes grease from all kitchen surfaces, and is safe to use on all metal surfaces. Use full strength on the toughest grease, or diluted to clean hoods, vents, filters, backsplashes and other equipment.

DIRECTIONS FOR USE:

1. Spray or wipe surface with solution.
2. Wipe clean and dry with a clean cloth or sponge.
3. If using Reliance HD Degreaser on a food contact surface, proceed with a fresh water rinse and sanitizer.

NOTES:

For general cleaning, dilute 1 oz. per gallon. For kitchen equipment, dilute 12 oz. per gallon. For hoods, vents, filters and backsplashes, dilute 16 oz. per gallon.
