Reliance Anti-Bacterial Foam Hand Soap

▲ Anti-bacterial foam hand soap helps reduce bacteria on hands

▲ Foaming product provides great coverage with less product

Approximately 40% of foodborne illnesses in the United States result from a lack of handwashing.[1]

[1] Centers for Disease Control

Hand hygiene helps keep employees and guests safe from foodborne pathogens and public infections.

DIRECTIONS FOR USE:

1. Wet hands with warm, running water.

2. Apply hand soap and thoroughly distribute over hands.

3. Rub hands vigorously for at least 10–15 seconds.

4. Clean under fingernails and between fingers.

5. Rinse hands thoroughly under running water.

6. Dry well with a single-use paper towel.

7. Turn off faucet using paper towel.
