

SPOT-FREE GLASSWARE

Keystone Bar Program

- ▲ Specially formulated for cleaning bar glassware.
- ▲ Helps ensure optimal beverage quality.
- ▲ Dispensed and manual solutions.

Spotless glassware helps
increase guest satisfaction.

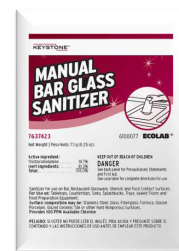

Ensuring a great customer experience is as easy as using **Keystone Dispensed or Manual Bar Solutions** specially formulated for bar glass washing applications.

Keystone Bar Solutions help you reduce spotting and streaking with no chemical residue, optimizing beverage taste and appearance. Easily removes food soils, glassware haze, and even hard-to-remove lipstick stains.
