

REVITALIZE AND PROTECT Keystone Furniture Polish Aerosol

- Restore wood and other surfaces to fine sheen
- Special formula helps fill in nicks and micro scratches
- Provides long-lasting protective finish

Fine-quality wax provides a clean shine that repels dust on furniture and equipment.

Keystone Furniture Polish Aerosol

cleans, waxes, polishes, moisturizes and protects wood furniture and a variety of other surfaces.

Use on furniture, metal and wood desks, office equipment, leather, ceramic, brass, chrome, stainless steel and vinyl.

DIRECTIONS FOR USE:

- 1. Shake well before using.
- 2. Remove protective cap.
- Hold can upright about 10 inches (25 cm) away from the surface to be polished and press button downward. Use sparingly, spraying a light film and letting dry momentarily before polishing.
- 4. Polish with a dry, clean, soft cloth for a high lustre.

Keystone combines the foodservice knowledge of Sysco, with the cleaning and sanitization expertise of Ecolab. Our experienced and dedicated sales teams provide you personalized support to help you run a clean and safe operation.
