

# Quat-Tabs

## Multi-Purpose tablet for sanitizing food contact surfaces

### Easy and effective

- Pre-measured, easily prepare your sanitizing solution at proper concentration
- Once dissolved, blue color tells operators sanitizer is in final rinse sink

### User-friendly design

- Non-irritating to hands
- Non-corrosive to metals
- Non-staining and odorless

### Easy on the environment

- Eliminates the handling and storage of bulky sanitizers
- Long-lasting and usually remains effective all day

**Quat-Tabs** are part of the **Unit Dose Program**: an effective, easy-to-use tablet cleaning program available in a variety of applications to cover all your everyday cleaning needs.

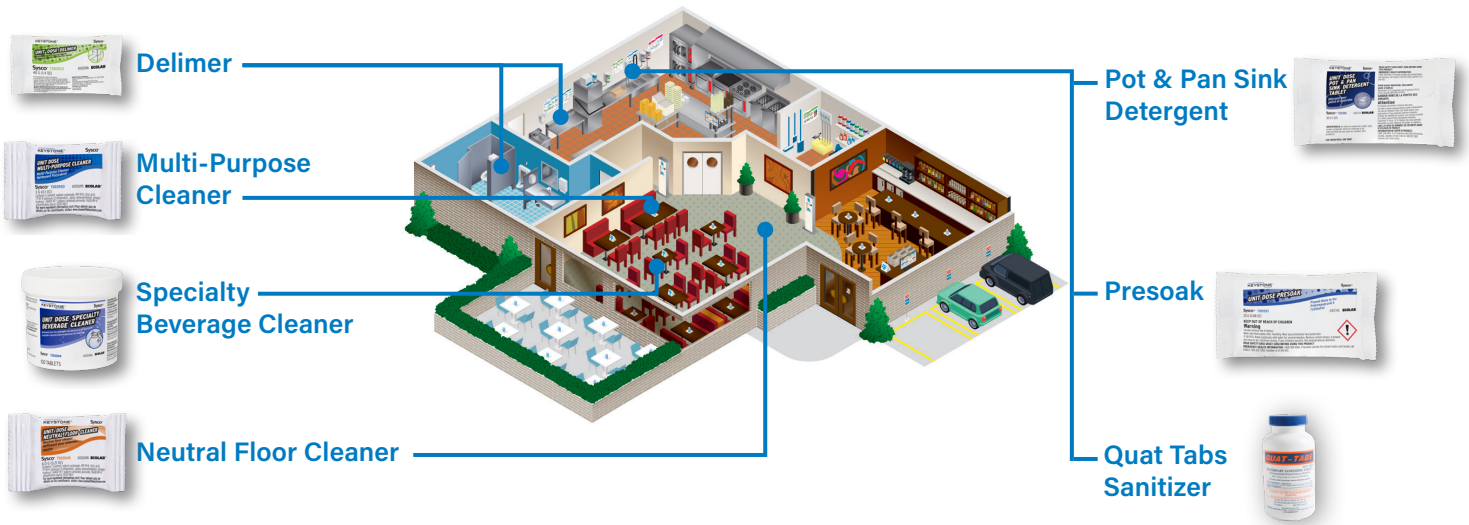

The tablet's solid chemistry is formulated to save on packaging.

# 99.9%

reduction in plastic waste<sup>1</sup>

1. Reduction in plastic waste is an approximation assuming use of one case of product per month over 12 months, compared with the equivalent use of Ecolab liquid products, which is enabled by the smaller, lighter package size for solid tablets.

# A complete, innovative program that delivers a professional-grade clean for your guests and a clear uncomplicated routine for your staff.

## Directions for use

1

- Use one tablet per 1 ½ gallons (5 L) of water.

## For 3 compartment sink sanitizing

1

- Dissolve 1 tablet per 1 ½ gallons water in third sink compartment.
- Allow several minutes for tablets to dissolve.

2

- Immerse washed utensils, dishes, and glasses into sanitizing solution for at least one minute or for contact time specified by governing sanitary code.

Empower your employees with easy-to-use tablets.

PRODUCT NAME	SKU	DILUTION RATIO	PACK SIZE	SUPC
