DIRECTIONS FOR USE:

(Read complete directions for use on product label before using this product.)

For cleaning and stain removal, spray onto surface and allow product to penetrate tough stains and soil. Wipe with a wet sponge or cloth and rinse with water. No scrubbing required.

For deodorizing, spray onto surface and allow to remain wet for 30 seconds. Wipe clean. Allow to air dry.

To disinfect hard, non-porous surfaces, spray 6-8 inches from surface until thoroughly wet. Let stand for required time². Rinse or wipe clean. Allow to air dry.

A **simplified** procedure for **cleaning, disinfecting** and **stain removal**.
