

DELIGHT GUESTS WITH SPOTLESS BAR GLASSES

Liquid Bar Glass Detergent

- Detergent designed for bar sink application; lower foam profile and less detergent carryover than existing formulas
- Built-in dosing cap for cost control and easy and accurate solution dispensing – no wall dispenser needed
- More neutral pH than tear packet bar glass detergent powder so gentler on hands
- Packaging protects product from moisture around bar area

DIRECTIONS FOR USE:

1. Fill the bar sink with water.
2. Loosen cap, then squeeze bottle to fill dosing chamber between the 1 and 2 US fl. oz.
3. Pour into bar sink (1-2 US fl. oz. per 3 gallons of water).

A **portion-controlled** glass detergent solution designed for **bar sink application**.
