

TOUGH ON GREASE

Keystone Lavender Pot and Pan Detergent

- ▲ Cuts through tough baked-on food soils
- ▲ Long-lasting suds deliver extra cleaning power
- ▲ Gentle on hands
- ▲ Pleasant lavender scent

A powerful lavender-scented detergent with an extra grease-cutting boost.

Keystone Lavender Pot and Pan Detergent is a high performance, non-phosphate, high sudsing liquid detergent that cuts through grease. A powerful combination of surfactants provide great grease cutting and soil suspension against the toughest baked-on food soils. Long-lasting suds attack heavy food soils, but remain gentle on the hands. Now with a pleasant lavender fragrance.

DIRECTIONS FOR USE:

- Sink One:** Fill sink using two ounces of Keystone Lavender Pot and Pan Detergent Ready-to-Use per 20 gallons of hot water (110-120°F). Adjust amount of product according to soil loads.
- Sink Two:** Immerse pots and pans in clean, hot water. Remove and let excess water run back into sink.
- Sink Three:** Fill sink with warm water (75-100°F). Use an appropriate Keystone sanitizer for a sanitizing rinse, following directions on label. Let air dry. Do not wipe. Follow local health department regulations for rinsing.

Note: Refer to your local health regulations for additional guidance for sanitizer use.

Keystone combines the foodservice knowledge of Sysco, with the cleaning and sanitization expertise of Ecolab. Our experienced and dedicated sales teams provide you personalized support to help you run a clean and safe operation.
