

Ecolab® Microfiber Towels

Perfect for effective cleaning with Ecolab detergent and sanitizing solutions.

Stronger, More Durable - Washable heavy weight towel with superior strength and durability for up to 50 washes. Cotton towels fall apart over time.

Cleans Better - Removes soils rather than smearing or smudging surfaces.

100% Sanitizer Safe - Will NOT deplete or weaken the strength of Quat or Chlorine sanitizer. Effectively releases sanitizer while wiping hard surfaces. Cotton towels deplete sanitizer and can harbor bacteria.

Fast, Efficient - The 2-step clean & sanitize process can be achieved in ONE towel.

Heavy-Duty Microfiber Towels.....#61114-01-00

Light-Duty Microfiber Towels#61114-00-00

HEAVY-DUTY Microfiber Towels

Superior to cotton terry towels

Effective at deep-cleaning tasks, these heavy-duty towels are excellent for cleaning and absorbing tough food spills and grease, wiping cutting boards or heavily soiled surfaces, and cleaning kitchen equipment at the end of each shift.

- ▲ Cleaning power of microfiber
- ▲ Will not reduce the effectiveness of sanitizer
- ▲ Makes cleaning quicker, easier & better - doesn't streak
- ▲ Absorbs up to 500% of its weight
- ▲ No chemical additives
- ▲ Washable & reusable

Box of 100. #61114-01-00

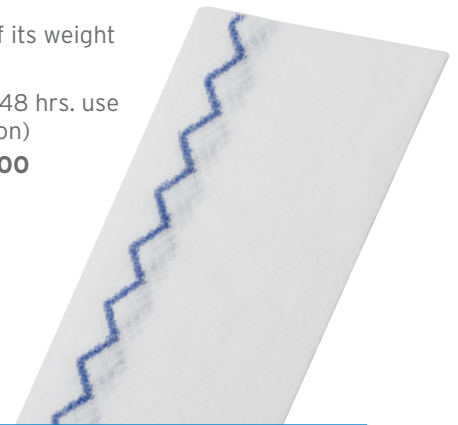

LIGHT-DUTY Microfiber Towels

Superior to nonwoven foodservice wipers

Ideal for general purpose cleaning, including stainless steel, tabletops, countertops, glass, chairs, and food prep surfaces, these light-duty towels are superior to nonwoven wipers. They are stronger, more durable and last at least 50% longer than traditional wipes.

- ▲ Cleaning power of microfiber
- ▲ Will not reduce the effectiveness of sanitizer
- ▲ Absorbs up to 500% of its weight
- ▲ No chemical additives
- ▲ Disposable towel (24 - 48 hrs. use depending on application)

Box of 150. #61114-00-00

DURABLE

Suitable for tougher cleaning tasks in the back-of-the-house.

EFFECTIVE

Will NOT deplete or reduce the effectiveness of sanitizer.

STRONG

Absorbs up to 500% of its weight to pick up spills fast.
